Innovation for the Real World

Product Information

DELPHI LAUNCHES RANGE OF ABS SPEED SENSORS

Delphi has launched a range of ABS Speed Sensors for European and Asian vehicles.

The initial range covers over 42 million popular vehicles .

All sensors are supplied in Delphi image packaging, branded Delphi and will also have the Delphi part number branded on the product ensuring the seal of Delphi origin.

Delphi ABS Speed Sensors are 100% tested and come with a 2 year warranty.

More parts will be introduced throughout 2010 & 2011, and these will be included in the next Delphi European editions of Braking & Vehicle Electronics catalogues . Digital pictures and simple to use buyers guide will ensure that customers will find the right parts easily

Every effort has been made to ensure that the information contained in this catalogue is correct at the time of printing, but Delphi cannot accept any responsibility for errors that may occur.

The right is reserved by Delphi to change the design and specification of the products and accessories either printed or illustrated in this publication at any time and without notice. Certain part numbers may not be available in all territories at all times. Delphi reserves the right to withdraw any of the part numbers from its product range.

No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form, electronic, mechanical, photocopying, recording or otherwise, without the prior permission of Delphi.

F

Delphi a pris toutes les précautions possibles pour s'assurer que les informations contenues dans ce catalogue sont correctes au moment de la mise sous presse, mais Delphi décline toute responsabilité en ce qui concerne des erreurs éventuelles susceptibles de se produire.

Delphi se réserve le droit de modifier à tout moment sans préavis la conception et les spécifications des produits et des accessoires imprimés ou illustrés dans la présente publication. Ce catalogue contient certains articles non disponibles à la vente dans tous les pays. Delphi se réserve le droit de les retirer de sa gamme pour les pays concernés.

Il est interdit de reproduire, d'enregistrer dans un système de recherche informatique, ou de transmettre sous quelque forme (électronique, mécanique, photocopie, enregistrement ou autre) que ce soit, sans l'autorisation préalable de Delphi.

D

Es wurden alle Anstrengungen gemacht, um die Richtigkeit der Angaben in diesem Katalog zum Zeitpunkt seiner Erstellung zu gewährleisten. Delphi übernimmt jedoch keinerlei Haftung für in diesen Angaben enthaltene Irrtümer.

Delphi behält sich jederzeit das Recht auf Änderung der Konstruktion und Spezifikation von in dieser Veröffentlichung abgebildeten oder beschriebenen Produkten und Zubehör ohne vorherige Ankündigung vor. Möglicherweise sind einige Artikelnummern nicht in allen Regionen jederzeit verfügbar. Delphi behält sich das Recht vor einige Artikelnummern aus dem Produktprogramm zu entnehmen.

Ohne vorherige Zustimmung von Delphi darf diese Veröffentlichung weder ganz noch teilweise in einem Retrieval-System gespeichert oder in irgend einer Form auf elektronischem oder mechanischem Wege übertragen, aufgezeichnet, fotokopiert oder vervielfältigt werden.

I

Nonostante siano state prese tutte le precauzioni necessarie per garantire che le informazioni contenute nel catalogo siano corrette al momento della stampa, Delphi non si assume alcuna responsabilità in merito alla presenza di eventuali errori.

Delphi si riserva il diritto di modificare in qualsiasi momento e senza alcun preavviso il design e le caratteristiche dei prodotti e degli accessori stampati o illustrati all'interno della presente pubblicazione. Alcune parti non saranno disponibili in tutti i territori contemporaneamente. Delphi si riserva il diritto di rimuovere alcune parti dalla gamma prodotta.

È vietato riprodurre, archiviare in un sistema di recupero delle informazioni, o trasmettere in qualsiasi forma (elettronica, meccanica, fotocopia, registrazione o altro) qualsiasi parte della presente pubblicazione, senza aver ottenuto preventivamente il permesso di Delphi.

E

Se han tomado todas las medidas necesarias para garantizar la plena veracidad y corrección de la información contenida en este catálogo al momento de su impresión, sin embargo, Delphi no puede aceptar responsabilidades por los errores que puedan ocurrir.

Delphi se reserva el derecho de cambiar el diseño y las características de los productos y los accesorios impresos o ilustrados en esta publicación, en cualquier momento y sin previo aviso. Según territorios y momentos algunas referencias pueden quedar indisponibles. Delphi se reserva el derecho de retirar cualquier referencia de su gama.

Ninguna parte de esta publicación podrá reproducirse, almacenarse en un sistema de recuperación o transmitirse de cualquier forma electrónica, mecánica o de fotocopiado, grabado o por cualquier otro medio, sin la previa autorización de Delphi.

P

Foram envidados todos os esforços para garantir a precisão e correção da informação contida neste catálogo no momento da impressão. Contudo, a Delphi não aceita qualquer responsabilidade por eventuais erros.

A Delphi reserva-se o direito de alterar, em qualquer momento e sem aviso prévio, a concepção e especificação dos produtos e acessórios, quer impressos, quer ilustrados nesta publicação. Certos artigos podem não estar disponíveis em todos os territórios em todas as ocasiões. A Delphi reserva o direito de retirar qualquer um dos artigos da sua gama de produtos.

Nenhuma parte desta publicação pode ser reproduzida, armazenada num sistema de recuperação de dados ou transmitida por qualquer processo electrónico ou mecânico, incluindo fotocópia, gravação ou outro, sem a autorização prévia da Delphi.

Company Profile

Delphi Product & Service Solutions is bringing to the market a strong focus on vehicle electronics, consumer electronics and service technologies. An innovator for over a century, Delphi will capitalize on its Original Equipment (OE) experience, electronics expertise and understanding of vehicle systems to meet the increasingly complex product and service needs of its customers. Delphi Service Solutions will add to these capabilities by providing the diagnostics and service solutions technicians will need to service tomorrow's vehicle systems. Today, Delphi will offer technicians information where they want it, when they want it.

The Delphi brand offers a quality line of automotive parts you can use with the same confidence that automotive manufacturers have in our Original Equipment applications. Our Aftermarket line is designed to provide customers with a wide range of products that will satisfy virtually any need they may have—whether they're looking for a quality replacement part or want to upgrade to the best part available.

When it comes to Aftermarket products you can trust, turn to the brand that automotive manufacturers around the world have looked to for over a century—Delphi.

Présentation de la Société

Delphi Solutions Produits & Services apporte au marché de la rechange des solutions en gestion électronique moteur, électronique grand public et support technique. Delphi capitalise sur son expérience en première monte et une capacité à innover constamment depuis plus d'un siècle. Le groupe s'appuie sur son expertise en électronique et sur sa compréhension des systèmes présents sur les véhicules d'aujourd'hui afin de répondre aux besoins de plus en plus complexes de ses clients, en matière de produits et de réparation. Delphi Service Solutions offre également des solutions de diagnostic et de réparation nécessaires aux techniciens pour intervenir sur les systèmes des véhicules de demain. Aujourd'hui, Delphi propose aux techniciens l'information dont ils ont besoin.

La marque Delphi vous offre une gamme de pièces automobiles de qualité, que vous pouvez utiliser avec la même confiance que celle qu'accordent les constructeurs automobiles à nos produits d'origine. Notre offre produit est conçue pour apporter à nos clients une vaste gamme de produits pouvant répondre à chacun de leurs besoins potentiels—qu'ils recherchent une pièce de rechange de qualité ou le tout dernier cri en matière de technologie automobile.

Choisissez la marque vers laquelle se tournent les constructeurs automobiles depuis plus de 100 ans pour vos produits de rechange—Delphi.

Firmenprofil

Delphi Product & Service Solutions richtet im Ersatzteilmarkt den Fokus verstärkt auf Fahrzeugelektronik, Unterhaltungselektronik und Servicetechnologien. Als Pionier seit über einem Jahrhundert in der Erstausrüstung (OE), nutzt Delphi diese Erfahrung, das Wissen über Elektronik und das Verstehen komplexer Fahrzeugsysteme, um den zunehmend komplizierteren Produkten und den Serviceansprüchen der Kunden gerecht zu werden. Delphi Product & Service Solutions ergänzt diese Kernkompetenzen durch Diagnosetools, die Servicetechniker zur Analyse der Fahrzeugsysteme von Morgen benötigen. Heute bietet Delphi diesen Technikern die Informationen dort, wo und wann sie benötigt werden.

Die Marke Delphi vertreibt auch Fahrzeugsatzteile in der Qualität, wie sie die Automobilhersteller durch unsere Erstausrüstungssparte erhalten und die Sie mit dem gleichen Vertrauen einsetzen können. Unser Aftermarket-Portfolio ist so konzipiert, Kunden eine breite Produktpalette anzubieten, die nahezu alle Anforderungen und Nachfragen erfüllen kann – egal ob Sie nur ein Qualitätsersatzteil brauchen oder Ihre Ersatzteilverfügbarkeit verbessern wollen.

Wenn es um Aftermarket Produkte geht, denen Sie vertrauen können, wenden Sie sich an die Marke, nach der Automobilhersteller auf der ganzen Welt seit über einem Jahrhundert fragen – Delphi.

Bedrijfsprofiel

Delphi Product & Service Solutions speelt een belangrijke rol op de markt voor voertuigelektronica, consumentenelektronica en onderhoudstechnologieën. Al sinds het begin van de twintigste eeuw staat Delphi bekend als een innoverende onderneming. Door ruime ervaring op het gebied van Original Equipment (OE), elektronica en voertuigsystemen kan het bedrijf zonder problemen tegemoet komen aan de steeds complexere product- en servicebehoeften van klanten. Delphi Service Solutions voegt hier nog een meerwaarde aan toe door monteurs de diagnose- en serviceoplossingen te bieden die onmisbaar zijn voor het onderhoud van geavanceerde voertuigsystemen. Delphi zorgt ervoor dat monteurs altijd en overal kunnen beschikken over de gegevens die nodig zijn om problemen te voorkomen, op te sporen en te verhelpen.

De lijn met automotive onderdelen die wordt geleverd onder de merknaam Delphi is kwalitatief net zo hoogstaand als onze Original Equipment-producten die door automotive fabrikanten altijd zeer gewaardeerd worden. Onze Aftermarket-lijn is zo uitgebreid dat klanten altijd wel het gewenste product kunnen vinden. Het maakt hierbij niet uit of ze een defect onderdeel willen vervangen of willen upgraden naar een state-of-the-art onderdeel.

Als u op zoek bent naar Aftermarket-producten waarop u kunt vertrouwen, is de keuze eenvoudig. Er is namelijk maar één merk waar automotive fabrikanten wereldwijd al sinds het begin van de twintigste eeuw op bouwen. Delphi is de naam.

Perfil de la Compañía

Delphi Product and Service Solutions está haciendo que la atención del mercado se centre fuertemente en los productos electrónicos para vehículos y consumidores, así como en las tecnologías de servicio. Delphi, reconocida por sus constantes innovaciones durante más de un siglo, aprovechará su experiencia y conocimiento en equipos originales (OE), electrónica y sistemas para satisfacer las necesidades cada vez más complejas de productos y servicios que manifiestan sus clientes. La nueva unidad comercial de la empresa, Delphi Integrated Service Solutions, ampliará estas capacidades ofreciendo los diagnósticos y las soluciones de servicio que necesitan los técnicos para dar servicio a los sistemas del futuro. Hoy Delphi ofrece a los técnicos la información que desean, cuando la desean.

La marca Delphi ofrece una línea de piezas de calidad para automóviles que puede utilizar con la misma confianza que los fabricantes de automóviles tienen en nuestras aplicaciones de Equipo Original. Nuestra línea de repuestos fue diseñada para brindar a los clientes una amplia gama de productos que satisfagan prácticamente cualquier necesidad que tengan: se trate de una pieza de repuesto de calidad, o de una mejora a la tecnología más avanzada disponible.

En cuestión de productos fiables de posventa, decidase por la marca que los fabricantes de automóviles de todo el mundo han buscado durante más de un siglo—Delphi.
